THE PROGRAM

25th October Educational Workshop - Concurrent Session I , II

	Introduction And Application Of Pharmacoepidemiology	Introduction And Application Of Pharmacogenomics In Epidemiology
08:30	Registration	
09:00	Overview Of Pharmacoepidemiology	Overview Of Pharmacogenomics
09:45	Applied Pharmacoepidemiology For The Researchers	Applied Pharmacogenomics For The Epidemiologist
10:30	Coffee Break	
11:00	Study Design And Methods	Study Design And Methods
11:45	Data Collection For Pharmacoepidemiological Study	Special Issues Associated With Biospecimens
12:30	Buffet Lunch	
	3 Workshops run in parallel, each workshop runs three times and each time lasts for 1 hour, participants rotate within the workshops according to their preference.	
13:30 - 17:00	Workshop 1: Statistical Analysis Using Real Pharmacoepidemiological Data	Workshop 1: Pharmacogenomic Statistical Analysis Using Real Data
	Workshop 2: Critical Appraisal Of Two Published Pharmacoepidemiology Papers	Workshop 2: Critical Appraisal Of Two Published Pharmacogenomic Papers
	Workshop 3: Designing Your Own Pharmacoepidemiological Study	Workshop 3: Designing Your Own Pharmacogenomic Analysis Within A Phase II/III Clinical Trial Or Phase IV Observational Study
15:30	Coffee Break	
16:00		
17:00	End Of Educational Session	

26th October - Day 1 Conference

08:30	Registration	
09:00	Welcome Remarks & Opening Address	
09:20	Keynote Address 1: Advances In Pharmacoepidemiology Research	
10:05	Coffee Break And Poster Viewing	
10:30	Symposium 1: Benefit And Risk Analysis In Asia – Current State	Poster Session 1
12:00	Buffet Lunch And Poster Viewing	
13:00	Asian Pharmacoepidemiology Network (AsPEN) "AsPEN Rising Stars"	
14:30	Contributed Paper Session 1	Contributed Paper Session 2
16:00	Coffee Break And Poster Viewing	
16:15	Symposium 2: Vaccine Use, Monitoring And Risk Communication	Contributed Paper Session 3
17:45	End Of Day 1 Conference	

27th October - Day 2 Conference

07:30	AsPEN Member Meeting	
08:30	Registration	
09:00	Symposium 3: Medicines For Children – Application Of Pharmacogenomics In Improving Health Of Children	Contributed Paper Session 4
10:30	Coffee Break And Poster Viewing	
11:00	Contributed Paper Session 5	Contributed Paper Session 6
12:30	Lunch And Poster Viewing	
13:30	Symposium 4: The Burgeoning Geriatric Population In Asia – Application Of Drug Utilization And Risk Management	Poster Session 2
15:00	Coffee Break And Poster Viewing	
15:30	Keynote Address 2	
16:30	Closing Remarks, Awards, ACPE 9 Announcement	
17:00	End Of Conference	

CONFERENCE SPEAKERS

Keynote Address Speakers

Bernard MY Cheung

Professor, Division of Clinical Pharmacology
Department of Medicine
The University of Hong Kong
Hong Kong

Til Stürmer

Professor of Epidemiology
Department of Epidemiology
UNC Gillings School of Global Public Health
University of North Carolina at Chapel Hill
USA

Symposium Speakers

Bruce Carleton

Professor
Department of Pediatrics
The University of British Columbia
Canada

Derrick Chan

Acting Director
Department of Geriatrics and Gerontology
National Taiwan University Hospital
Taiwan

Kenneth Hartigan-Go

Director General
Food and Drug Administration (FDA) Philippines
Philippines

Ellis Hon

Professor
Department of Paediatrics
The Chinese University of Hong Kong
Hong Kong

Suzanne McCarthy

Lecturer
School of Pharmacy
University College Cork and Cork University Hospital
Ireland

Debra Rowett

Director
Drug and Therapeutics Information Service
Australia

Mike Sharland

Professor
Paediatric Infectious Diseases unit
St George's University of London
UK

Miriam Sturkenboom Chunhua Tian

Professor
Department of Epidemiology
Erasmus MC University Medical Center
Rotterdam, The Netherlands

Division Chief
Essential Medicines Monitoring and Evaluation Division
National Center for ADR Monitoring
China

Ian CK Wong

Professor/Head
Department of Pharmacology and Pharmacy
The University of Hong Kong
Hong Kong

Fandian Zeng

Professor
The Institute of Clinical Pharmacology
Tongji Medical College
Huazhong University of Science & Technology
China

THE VENUE AND REGISTRATION

The Venue

October 25, 2013 Educational Workshop

Venue:
Training room and Function room
Conference & Exhibition Centre

Address:
Level 3, Core C, Cyberport 3
100 Cyberport Road, Hong Kong

October 26-27, 2013 Conference

Venue:
Cheung Kung Hai Conference Centre

Address:
G/F, William M.W. Mong Block
Li Ka Shing Faculty of Medicine Building
The University of Hong Kong
21 Sassoon Road, Pokfulam, Hong Kong

Registration Fee

Conference Registration details and credit-card payment arrangements are available on the conference website: www.acpe-hongkong.org

Educational Workshop (***participant can register only one session - Conduct in English)

	Session I Introduction and Application of Pharmacoepidemiology		Session II Introduction and Application of Pharmacogenomics in Epidemiology	
	On or before 30 August	After 30 August	On or before 30 August	After 30 August

Scholarship

A limited number of scholarships (expense reimbursements) may be available to assist with attendance at ACPE8 2013.

For more details, please visit our website: <http://acpe-hongkong.org/submission/>

INVITATION FOR ABSTRACTS SUBMISSION

The conference invites abstracts for oral or poster presentation at ACPE8 in the area of pharmacoepidemiology and drug safety. Students and researchers from the industry and research institutions are invited to submit their abstracts for presentation and discussion at the meeting.

Important Dates:		
Deadline for Abstract Submissions	Notification of Acceptances	Deadline for Scholarship Application
30 June 2013	31 July 2013	19 July 2013

Suggested Topic Areas for Abstract Submission Include:

1. Pharmaceutical policy and administration
2. Pharmacoepidemiology and pharmacovigilance research methods
3. Post-marketing drug effectiveness and safety evaluation
4. Drug safety risk monitoring, evaluation and prevention
5. Prevention and treatment of drug-induced diseases
6. Pharmacogenomics research and drug safety
7. Evidence-based practice
8. Rational drug use
9. Prevention of medication errors and drug misuse/abuse
10. Rare disease and orphan medicines
11. Drug utilization evaluation studies
12. Pharmacoepidemiology and traditional medicines
13. Other related fields

All abstracts must be submitted electronically in Microsoft Word format using the on-line submission portal on the conference website, by **30 June 2013**

Instructions for Preparing Abstracts

1. The abstract must be single-spaced and in upper and lowercase letters (do not use all capital letters). The text must not exceed 250 words excluding title, author details and key words. Abstracts must follow the following format: Aim/Objective, Methods, Results and Conclusion. **List not more than four key words related to your research. Tables, graphs, and charts are NOT permitted in abstracts.**
2. Title of the abstract must be in title case. The title should be specific to content. Use short titles and standard abbreviations (expand at its first instance). Include the presenting author's name and affiliation. Avoid reference to institution names, locations, or funding sources in the abstract.
3. All abstracts must be submitted in **English only**. Please carefully check all text for errors before submitting, as the quality of your submission may strongly affect the outcome of the reviewers' scoring of your abstract. No edits will be allowed in the submitted abstracts for typing, spelling, or grammatical errors.
4. Please indicate on your abstract document your preference for mode of presentation:
 - Oral
 - Poster
5. You may select the presentation type you prefer, however the reviewers' decision will be final in this regard.

Abstract Review Process and Presentation

1. In accordance with ISPE policies and procedures, all submitted abstracts will be anonymised as to author and submitting institution, and then reviewed at least three reviewers.
2. The reviewers assign accepted abstracts either to oral or poster presentation based on the overall reviewers' score as well as the authors' expressed preference. Notification of acceptance or non- acceptance will be sent by 31 July 2013.
3. Only the corresponding author will be notified of acceptance or non- acceptance, and it is corresponding author's responsibility to notify all other authors about the outcome of the reviewers' decision.
4. For all the accepted abstracts, the details of oral presentation (PowerPoint presentation) and poster presentation (poster size, format, style and layout etc) will be communicated to presenting authors as appropriate. Abstracts accepted for oral presentation must then submit PowerPoint slides not later than 30 Aug 2013.
5. **Presenting author must be registered for the conference to be able to present the abstract.** All accepted abstracts will be published in the conference booklet only when presenting author registered for conference before 30 Sept 2013.

INTERNATIONAL STEERING GROUP

Name	Designation & Institutional Affiliation
Ulf Bergman	Professor em, Centre for Pharmacoepidemiology, Karolinska Institutet and Division of Clinical Pharmacology, Karolinska University Hospital, Stockholm, Sweden
Stella Blackburn	President, ISPE
Esther Wai Yin Chan	Assistant Professor; Research Lead, Centre for Safe Medication Practice and Research, Department of Pharmacology and Pharmacy, The University of Hong Kong, Hong Kong
Kin-Wei Arnold Chan	Deputy Director, Department of Medical Research, National Taiwan University Hospital
Chih-Ying (Natasha) Chen	Postdoctoral Fellow/Research Fellow Brigham and Women's Hospital/Harvard Medical School Boston MA, USA
Mary Catherine Cheng	President, The Pharmaceutical Society of Hong Kong, Hong Kong
Bernard Man Yung Cheung	Professor, Division of Clinical Pharmacology, Department of Medicine, The University of Hong Kong, Hong Kong
Mark Epstein	Executive Secretary, ISPE – Washington DC, USA
Yea-Huei Kao Yang	Professor/Director, Institute of Clinical Pharmacy and Pharmaceutical Sciences, Health Outcome Research Center, National Cheng Kung University, Tainan, Taiwan
Kiyoshi Kubota	Professor of Pharmacoepidemiology, Department of Pharmacoepidemiology, Faculty of Medicine, The University of Tokyo, Japan
Kate Lapane	Professor, Division of Epidemiology of Chronic Diseases and Vulnerable Populations, Department of Quantitative Health Sciences, University of Massachusetts Medical School, Massachusetts, USA
Frank May	Service Director, Drug and Therapeutics Information Service, Adelaide, South Australia
Byung-Joo Park	Professor and General Director, Chairperson; Department of Preventive Medicine, Seoul National University College of Medicine/ General Director; Korea Institute of Drug Safety & Risk Management, Korea
Gurumurthy Parthasarathi	Professor and Head, Department of Clinical Pharmacy, JSS Medical College Hospital and JSS College of Pharmacy, JSS University, Mysore, India
Nancy Santanello	Vice President/Head, Epidemiology at Merck Research Laboratories, Merck & Co
Soko Setoguchi	Associate Professor, Duke University (US) and The University of Tokyo (Japan), Duke Clinical Research Institute, Durham NC, USA
Til Stürmer	Professor and Director, Department of Epidemiology, UNC Gillings School of Global Public Health, University of North Carolina at Chapel Hill; President-Elect, ISPE
Ian Chi Kei Wong	Professor/Head; Director, Centre for Safe Medication Practice and Research, Department of Pharmacology and Pharmacy, The University of Hong Kong, Hong Kong
Songlin Xue	Head of Global Pharmacovigilance, Astellas Pharma Inc., Northbrook, Illinois, USA
Siyan Zhan	Professor/Deputy Director, Department of Epidemiology and Biostatistics, School of Public Health, Peking University Health Science Center
Wei Zhou	Regional Director and Head, Epidemiology Asia Pacific Unit, Merck Research Laboratories
